smgarcia@cabq.gov

State of NM Occupational Health and Safety Bureau

Implements and enforces NM Health & Safety Act

A complaint can be generated by employees or an employee representative by requesting an inspection if they believe unsafe or unhealthful conditions exist in their workplace*

(505) 476-8700 / Ask for the compliance officer on duty to discuss your complaint

Complaints.OSHA@state.nm.us

<https://www.osha.gov/contactus/bystate/NM/areaoffice>

Submit your complaint through the [federal online complaint form](#).

To report an emergency, fatality, or imminent life-threatening situation please contact our toll-free number immediately:

1-800-321-OSHA (6742)

TTY 1-877-889-5627

* To file a complaint or a referral, the complainant must provide the entity's name, location, and description of the problem. Employees have the right to file complaints about workplace safety and health hazards. Further, the Act gives you the right to anonymity. You are not obligated to give information such as your name, address, and phone number. We do not reveal or discuss this information with anyone.

The Industry Safety Hotline

A general number that will take you to the Studio Safety Hotlines and Contract Services' Production Affairs & Safety Department for questions related to industry Safety Bulletins or on-set safety.

APD Mobile App

New community engagement application furthers transparency and community policing.

How it Works:

Residents will now be able to access Albuquerque Police Department services in a new and innovative ways.

The community engagement application “ABQPolice” will allow residents to file non-emergency police reports, receive breaking news alerts, submit live crime tips, and even access real time crime information.

Please see the link below.
